

LAW ENFORCEMENT SURVEILLANCE DIVISION

**COST EFFECTIVE,  
CUTTING EDGE  
TECHNOLOGY**

At Ensol Systems we are committed to public safety. Let us be the single source for all of your surveillance needs. Whether it is a customized, fully integrated system or simple camera purchase, Ensol Systems is dedicated to offering Law Enforcement unequalled prices and customer service.

**Surveillance Cameras**

As Axis partners and licensed Canon distributors we offer the highest quality cameras at the most competitive prices. Contact Ensol first and we guarantee the lowest prices on all camera systems.

**Covert Enclosures**

Our methanol fuel cell enclosures prove to be an industry favourite for remote power. These enclosures are cold weather rated and can be buried or hidden for immediate and long lasting power.

**Pole Mounted Surveillance**

Utilize our intelligent pole mounted surveillance unit for overt surveillance. Simply deploy the unit and begin instantaneous surveillance.

**Built to Suit**

Do you have a specific application that you need a solution for? Our background in R&D can help develop a suitable product to service your need!

**Hybrid Surveillance Trailers**

Rugged, dependable, quick deploy surveillance trailers for remote surveillance monitoring. Rated to -40°C and CSA certified, our trailers are designed specifically for overt surveillance.

*“Our partnership with Ensol has allowed us to continually improve our surveillance equipment and broaden our tactical efforts.”*
